Crude Oil West Texas Intermediate (WTI)

Commodities Market

WTI crude opens today at \$40.68 with an increase of 0.12% as compared to its closing price the previous trading day at \$40.63.

Similarly, Brent crude opening price today increased by 0.07% to \$43.13 against its closing price on 06 July 2020 at \$43.10.

Throughout the day, oil prices fell amid concerns that a surge in new coronavirus cases, especially in the United States, will hamper any recovery in fuel demand. (Melbourne/Singapore (Reuters))
